About Me

I am a student of Computer Science and Engineering (CSE–AIML) at KIET Group of Institution with a strong interest in AI and emerging technologies.

I enjoy learning about machine learning, coding, and web development in my free time. Besides academics, I like exploring creative activities.

My long-term goal is to become a skilled AI and ML engineer who can contribute to meaningful innovations.

I am constantly improving my skills through projects and hands-on learning.

Here is my portfolio

The screenshot shows a web browser window with a purple header bar containing the title "Shreya Pandey Portfolio". Below the header is a navigation bar with links for Home, About, Skills, Project, and Contact. The main content area has a purple background. At the top of the content area, it says "Hi, My name is Shreya Pandey". Below this, there is a small bio: "I'm a first year Btech CSE AIML student." and "Aspiring AI&ML Engineer". A circular profile picture of a young woman with long dark hair is centered below the bio.

About Me

I am a student of Computer Science and Engineering (CSE-AIML) at KIET Group of Institution with a strong interest in AI and emerging technologies.

The screenshot shows the "About Me" section of the portfolio. It includes a detailed bio: "I am a student of Computer Science and Engineering (CSE-AIML) at KIET Group of Institution with a strong interest in AI and emerging technologies. I enjoy learning about machine learning, coding, and web development in my free time. Besides academics, I like exploring creative activities. My long-term goal is to become a skilled AI and ML engineer who can contribute to meaningful innovations. I am constantly improving my skills through projects and hands-on learning." Below this bio is a section titled "Skills" which lists several programming languages and technologies: HTML, CSS, Python, MySQL, and C.
